Interest options		
Deposits with terms of three to eleven months automatically have interest paid at maturity. The interest may be paid to a savings account or reinvested.		
Deposits with terms of 12 months or more may have interest reinvested every 12 months, or paid to a savings account fortnightly, monthly, quarterly or yearly.		
Credit Union SA pays the same rate of interest regardless of the interest frequency.		

Interest is calculated daily. This information is current as at the effective date of this brochure and is subject to change. All products described in this brochure are issued by Credit Union SA Ltd. Before acquiring any financial product you should consider whether or not it is suitable for you. Conditions and fees apply and are available upon request.
